Wine Description

Our selected barrel is a single ferment of just the Pommard clone, sourced exclusively from our oldest vineyard site, named for our son Adolfo Filippo. With a south-facing slope, the wine captures the long hours of afternoon sun, showcasing the site's characteristic dark fruit. LIVE Certified & aged for 16 months in a Seguin Moreau barrel, it opens in a beautiful perfume followed by a core of dark berry & blackberry fruit with hints of anise & exotic spice. This lively & energetic Pinot noir is bursting with bold robust structure & an expressive, long chocolate finish.

Winery Information

Apolloni Vineyards, founded in 1999 by Laurine and Alfredo Apolloni, is located in the northernmost region of the Willamette Valley, just 25 miles west of downtown Portland. This location provides a unique microclimate, tucked up against the Oregon Coast Range, with primarily Laurelwood soils. Alfredo's family winemaking tradition goes back over 150 years from northern Italy. Our vineyard and winery are LIVE Certified with a focus on producing wines that reflect the distinctive characteristics of our site, while showcasing the unique qualities of each vintage.
