### Wine Description

*Energy, Imminence and Embrace are the touchstones of the Chapter 24 auction cuvée. Our 2015 auction cuvée was harvested from a select group of high elevation vineyards featuring 30 to 40 cms each of top soil sitting on top of solid basalt. We believe that the ability to harvest fully ripe grapes grown in rocky stress-inducing soils produce the distinctive delicious flavor and texture waves which are the hallmarks of our higher elevation vineyard sites. 100% de-stemmed berries fermented with only wild and indigenous yeast. Aged for 12 months in 40% new oak barrels.*

### Winery Information

*At the Chapter 24 Vineyards we want to create a culture that is uncommonly interesting, innovative, intelligent, human, irreverent, focused, timely and delicious. A culture about the action of thinking. Thinking about the vineyard, the evolution of grape to wine, and above everything else, the experience of drinking. It is only the act of drinking that fully animates our wine. At their best, our Pinots change the atmosphere around our lives. Emotion, thought and action influenced by the attractive forces generated by a glass of wine.*
