Wine Description

This is a blend of two of our finest vineyards that consistently produce wines of great power and finesse. Both vineyards are comprised of Jory soils and are planted with 667 Dijon clones. This unique bottling showcases the best of the Evenstad Estate in the Dundee Hills.

Winery Information

A passion to produce exquisite Pinot noir led Ken and Grace Evenstad to Oregon in 1989. When the time came to pursue their longtime dream of planting vineyards and producing world-class Pinot noir, they invested in a 42-acre hilltop estate property that had just been logged in the Dundee Hills of Oregon. Today, Domaine Serene produces wines from six individual vineyard estates, planted exclusively to Pinot noir and Chardonnay.
