### Wine Description

*Planted on the edge of the Coastal Range the Menefee Vineyard is in its own world, one element of the wine derives from the cool coastal air and the other from the warmer Willamette Valley. The wine is charming and energetic with notes of blackcap raspberry, black cassis, sarsaparilla, tropical teak and pomegranate. Silky and vibrant this demonstrates Oregon Pinot at its very best. This single barrel lot is from a single block of the Menefee Vineyard planted to the clone 667 and bottled to reflect the purest expression of earth, plant, and sky.*

### Winery Information

*Dominio IV is Latin for a feast or a celebration, and that is just how we hope you will enjoy our wines. We produce small lot Syrah and Tempranillo from our Three Sleeps Estate Vineyard in the Columbia Gorge as well as site-driven Pinot noir grown in the Willamette Valley and Viognier farmed at high-elevation sites in the Rogue Valley.*
