Alcohol: 14.1%

Wine Description

Our Willamette Valley Auction Cuvée exemplifies the stunning character of the vintage. 2015 was spectacular and the wine is a delightful expression of our Roserock vineyard in the Eola-Amity Hills. On the nose, I find dark fruit nuances and a touch of elegant spices. The palate offers the classic beauty of a refined Pinot noir with an excellent, seductive texture and a long finish. This wine owns the privilege of being delicious now, but I believe it has an ageing potential of 10 years or more. A wonderful wine to have in the cellar! - Véronique Boss-Drouhin

Winery Information

Drouhin Oregon Roserock continues the Drouhin Family's commitment to Oregon, and is the next chapter in a four-generation story that began with Joseph Drouhin in 1880. In 1987, Robert Drouhin established Domaine Drouhin Oregon in the Dundee Hills, and today, Philippe, Véronique, Laurent & Frédéric Drouhin run the family business. Roserock, purchased in 2013, is an exceptional terroir in the Eola-Amity Hills, and is marked by volcanic soils, cooler temperatures and an ideal elevation range. The vineyard is certified sustainable according to the LIVE principles. Roserock reflects the singular Drouhin approach, as seen in Véronique Drouhin's winemaking. She celebrates patience and nuance, elegance and complexity, and above all, finesse.
