Lot Size: 5 CASES

Vineyard Name: SEVEN SPRINGS

AVA: EOLA-AMITY HILLS

Winemaker: RAJAT PARR & SASHI MOORMAN

Harvest Date: 09/12/2015 Alcohol: 12.5%

Wine Description

This special bottling combines our two most distinct blocks at Seven Springs Estate. Our lowest yielding and oldest own-rooted vines, positioned at the mid-slope of Seven Springs and a small planting at the summit of our vineyard, encircled by a grove of Douglas fir. This unique blend was made completed naturally and bottled after 16 months of aging in 100% new French oak barrels.

Winery Information

Selected as one of the Top 10 Vineyards in America by Food & Wine Magazine, Seven Springs Vineyard was originally planted in 1983 and sits in the eastern Eola-Amity Hills. The vineyard is biodynamically farmed and LIVE certified. The cooling winds from the Van Duzer corridor combined with the volcanic soils, eastern exposure, and old-vines imbue our wines with a finesse and strong sense of place. Raj Parr and Sashi Moorman explore the vineyard's potential, isolating distinct blocks and experimenting with micro-cuvées in the heart of the Seven Springs hillside.
