Wine Description

Feeling lucky? The winner will obtain 10 cases blended from two marquee blocks and two classic clones grown on King Estate. Rooted from our "Lucky Number 777" block on a steeper hillside facing southeast (elevation 994 feet to 1150 feet) and a hillside block of Pommard clone with a due-south exposure (elevation 895 feet to 987 feet), this Pinot noir favors the bold.

Winery Information

King Estate Winery, celebrating its 25th anniversary, is located in Eugene, Oregon, at the southern tip of Willamette Valley. At 1,033 acres, King Estate is the largest Demeter USA-certified Biodynamic® vineyard in the country. King Estate was founded in 1991 on the bedrock principles of family, stewardship and tradition. With a third generation of the King family active in the business, King Estate remains family owned and farmed, dedicated to the highest standards in winemaking.
