Bottling Date: 04/03/2017

Alcohol: 14.1%

### Wine Description

*Named after Lemelson Vineyards' one of a kind mobile sorting platform, "The Enterprise" represents the best Pinot noir of 2015 - the Captain's reserve if you will. This blend was made from our top-end, organic estate vineyards located in the Dundee Hills and Yamhill-Carlton AVAs. To keep this wine as pure and expressive as possible, it was fermented by native yeast, processed by gravity, barrel aged for 15 months in 60% new French oak and was neither fined nor filtered. Crafted to age gracefully, this wine is sure to evolve gorgeously for many years in bottle.*

### Winery Information

*Eric Lemelson planted two acres of Pinot noir as a hobby on a hillside farm near Newberg in 1995. He enjoyed viticulture so much that within two years he planted 17 additional acres near Carlton and began to design a winery. Today, Lemelson Vineyards owns and manages 157 acres at seven sites in three AVAs. All vineyards have been farmed organically from the beginning and have been certified organic since 2004. The gravity-flow winery reflects a strong commitment to sustainability and a "no compromises" approach to wine quality.*
