Wine Description

This special barrel selection is sourced from two blocks planted to Wädenswil and Dijon 777 clones on Shea Vineyard's east hill. Blue fruit and subtle spice notes define the nose. The palate is big and lush with soft, well integrated tannins. This is a great example of the best of Shea Vineyard in the 2015 vintage.

Winery Information

Shea Wine Cellars is an offshoot of our efforts with Shea Vineyard, a 200-acre property with 140 acres planted to vines in the Yamhill-Carlton AVA. We began as growers with our first plantings back in 1989, selling the fruit to other wineries. In 1996, Shea Wine Cellars began with a mere 25 cases of Pinot noir made from one barrel. Our production is now 6,000 cases of Pinot noir and 350 cases of Chardonnay, roughly 25% of Shea Vineyard's annual crop production.
