Warm spice nose with dark cherries and plum. Bright red fruit on the palate with cardamom and white pepper. A long smooth finish with white pepper and floral notes. Nicely structured with good acids and tannins yet still soft on the mouth.

Winery Information

A boutique winery on a petite vineyard making only estate wines. The Pinot noir blocks were planted in 2000 on volcanic Jory soil with Pommard and Dijon clones 115 and 777. The winery and vineyard are certified sustainable under the LIVE program. Although the emphasis is on 5 clones of Pinot noir, small blocks of Chardonnay, Viognier, Tempranillo and Syrah are also planted. Minimal intervention is central to the winemaking process, including indigenous fermentations.
