#### Wine Description

*Dry-farmed 828 clone Pinot noir, 100% whole cluster fermentation with native yeasts. The wine is sinewy and powerful, but with feminine complexity and silky tannins.*

#### Winery Information

*Willful is the passion of owner and winemaker Pam Walden. An urban winery based at the Southeast Wine Collective in Portland, Willful seeks to produce balanced and expressive Oregon wines using native yeast fermentation, low-intervention winemaking, and hand-selected fruit from some of Oregon's premium vineyard sites.*
