Bottling Date: 09/14/2016

Alcohol: 14.1%

Wine Description

With 26 individual blocks encompassing 18 soil types and 10 clones of Pinot noir, we are constantly amazed by the level of complexity that is produced from our Revana Estate Vineyard. For this exclusive bottling, our winemaker, Bryan Weil, created a special blend consisting of select barrels that he felt produced the most textured, elegant and balanced wines from the 2015 vintage. The resulting wine contains 7 clones (113, 115, 777, Pommard, Wädenswil, Coury) from 10 blocks (3, 4, 5, 6, 8, 12, 14, 19, 22, 26) of our LIVE-certified estate vineyard. 6 cases produced.

Winery Information

Conceived by vintner Dr. Madaiah Revana, Alexana Estate Vineyards and Winery is an 80-acre estate located on the northwestern edge of the Dundee Hills AVA where iron-rich volcanic soils converge with the ancient marine sedimentary soils of the Pacific Ocean. With a total of 18 soil types, each vineyard block is individually cultivated in celebration of the properties diversity. Winemaker Bryan Weil carries out a minimalist approach by focusing on small lot fermentations and native yeasts to produce wines that express a distinct sense of time and place.
