Wine Description

This is CHEHALEM's Now-the BEST this year from Ridgecrest, our pioneering vineyard, but from 16-year old vines, not 35; newer Dijon clone 777, not heritage Pommard; 2nd generation winemaker, not 1st. This is a testament to the well-schooled baton pass. When "lucky" isn't really chance, but the hard-worked plan to move forward and get better!

Winery Information

Chehalem is an Oregon wine original boasting a rich history of innovation, sustainability, and exceptional quality. First established in 1980, we pioneered grape growing in the prestigious soils of Ribbon Ridge. We now have three estate vineyards planted in three distinct Willamette Valley AVAs and a 2nd generation winemaker at the helm of production.
