#### Wine Description

*This wine was named Viagem, meaning “Journey” in Portuguese, celebrating the founding historic journey of the Van Duzer Corridor AVA. This cuvée showcases the persistence of the Van Duzer Corridor’s evening winds. These winds cool the fruit to retain acidity and allow the fruit to hang to optimal ripeness, two highly sought after traits in the farming of Pinot noir. We feel this wine strikes a delicate balance between acidity, structured tannins, and the purity of Pinot noir from the Coelho Estate Vineyard.*

#### Winery Information

*Coelho Family Wines focuses on crafting Pinot noir from four estate vineyards: Coelho, Zeitoun, Delfina, and Perrydale Hills. Every wine is crafted using a single yeast in the cellar, and a single cooper for the elevage of all single vineyard wines. This allows our range of Pinot noir, Chardonnay, and Pinot gris to speak for themselves. To honor our Portuguese heritage, we also make a vintage Port-style wine made from the six Iberian varietals.*
