Wine Description

Slides Your Socks Off No. 2 consists of equal parts Cristom's estate Jessie Vineyard and McMinnville's Hyland Vineyard, fermented with native yeasts and aged in once-used French oak. The Jessie fruit consists of Dijon 115 from the deepest soils in the heart of the vineyard, bringing a classic aroma of dried rose petals and notes of ripe raspberries and Mt. Hood cherries. Hyland's contribution of the Wädenswil clone adds tremendous spice, with notes of cardamom and cedar. A mouthwatering acidity combines with dusty tannins for a thought-provoking, long finish.

Winery Information

Cristom Vineyards began a quarter of a century ago as a collaboration between three men: an engineer, a biochemist, and a farmer, each possessing a deep-rooted respect for the land, the natural winemaking process, and Pinot noir. 25 years later, winemaker Steve Doerner and vineyard manager Mark Feltz still tend these fields and produce our elegant, dynamic wines, while second-generation proprietor and winegrower Tom Gerrie continues the legacy of our world-class Pinot noir estate.
