Wine Description

A wine which will show well in its youth and definitely reward over time, this special cuvée was carefully crafted through the blending of 5 different AVAs, 7 different vineyards, 6 different clones and 13 different lots. Each lot was used in equal quantities and older vine lots were the primary focus. Simply sexy, elegant, polished and delicious, this wine emanates layers of strawberries, graham cracker, barrel spices and pomegranate notes. Medium bodied initially, gaining in mouthfeel and weight as the wine is exposed to air. Flavors mirror the aromas with a soft and juicy entry which gains complexity as the wine warms in your mouth, intertwining with refined and initially slightly dusty, then sweet tannins which frame the wine. The sweet tannins and fresh acidity commingle for a long-lasting finish with an open invitation for more.
