Alcohol: 14.2%

### Wine Description

*Our cuvée is a distinctive Pinot noir, skillfully crafted into an elegant wine with defining depth. Since 2002 we have established a distinct profile with a structure one recognizes as Dusky Goose. This cuvée is a selection of select blocks from our Rambouillet and Fennwood Vineyards, producing a superb Pinot noir. This cuvée is a generous Pinot noir, while infusing vibrant aromas of black cherry, flint and wet earth on the aromatics. There is a seamless structure and balance of round tannins with a sweet core and a juicy liveness, finishing with a focused structure.*

### Winery Information

*Dusky Goose features the winemaking talent of Lynn Penner-Ash to produce a velvety-soft Pinot noir from low-yield Willamette Valley vineyards featuring established vines, and a diversified clonal selection. Owners John & Linda Carter note: "We believe in viticulture friendly to the land and its inhabitants, including the rare Dusky Goose."*
