Winery Information

Oregon vineyard pioneers, Dick and Betty O'Brien, of Elton Vineyard, established in 1983, realized a life-long dream with the release of their inaugural Elton Pinot Noir. The Elton Vineyard has long been regarded as one of the Eola Hills' top vineyards, featured in top rated Pinot noirs. The effort is co-founded by Christine Collier and Jim Bernau who are focused on establishing estate wineries at some of Oregon's most intriguing vineyard sites with their Oregon Estate Vineyards division.
