### Wine Description

*The taste of transparency. A single block, a single clone, spontaneously fermented, unfinned, and unfiltered. BD Block Pinot Noir hails from Biodynamically-farmed Momtazi Vineyard. Composed of 100% Dijon 114 from a single second-fill Billon barrel from the Tronçais forest, this Pinot noir purely expresses both site and vintage. The volcanic Jory soils of this block pair with the thick-skinned thumbprint of the AVA to create a red-fruited, supple, and beautifully-structured Pinot noir, at once singular and sweeping.*

### Winery Information

*Great wine speaks profoundly, a universal language transcending any one culture. Fullerton Wines crafts treasured Pinot noirs and Chardonnays that transport you to our place, Oregon's Willamette Valley. We source and care for vineyards, both old and new, that display authenticity and character—they speak of their specific place. In the winery, Alex Fullerton tends the winemaking process with an artistic and respectful hand, resulting in elegant and distinctive Pinot noirs and Chardonnays.*
