Bottling Date: 02/04/2017

Alcohol: 14.2%

### Wine Description

*2015 was Furioso Vineyards' second vintage but the very first year we made wine from our 8-acre estate vineyard in Dundee. This mature, naturally low-yielding site produces exceptional fruit, offering complex aromatics and lively acidity. This wine is a unique blend of our two most sought after blocks. Fermented in small un-inoculated lots, gently handled, the wine has been aged for 10 months in 50% new oak before being bottled unfined and unfiltered. Our 2015 Racine marks the true foundation of Furioso Vineyards, and is an acknowledgment of our vineyard history.*

### Winery Information

*Furioso Vineyards was started in 2014 by Giorgio Furioso. Giorgio's Italian roots and childhood memories of his family making wine in their cellar ultimately led him many years later, in July 2015, to acquire in Dundee one of the oldest vineyards on Worden Hill Rd (the Juliard Vineyard) and renaming it Furioso Vineyard. At Furioso, we are dedicated to organic practices in the vineyard and to a minimal intervention winemaking approach. Jared Etzel was the initial winemaker for Furioso and was joined by Dominique Mahé in August 2015.*
