#### Wine Description

*Our auction lot is a barrel selection of the strongest and boldest fruit harvested from our estate vineyards in 2015. Named for those who have honored the land before us and those who shall honor it after us, our Generations Pinot Noir comes from our Nicholas Vineyard where the strong consistent soils produce wines with great structure and depth. This barrel selection is powerful with a concentrated core, driven by an abundance of dark fruit aromas and underlined by spice, toasted oak and earthy notes. Our Generations Pinot Noir is distinctive with great weight and complexity.*
