Alcohol: 13.9%

### Wine Description

*The 2015 WVWA Barrel Selection Cuvée opens with lifted notes of boysenberry, dark cherry, blue fruit, violets and cola. The palate is lively and succulent with red and blue fruit supporting a plush texture, vibrant acidity and seamless finish. This wine is drinking beautifully now but was crafted with longevity in mind. Sourced from some of the oldest vines on our estate, it is a blend of Pommard and Wädenswil clones. The fruit was hand-picked and fermented in 3-5 ton fermenters. The wine was put down to barrel to stay for 12 months, then racked to tank, where it spent 4 months before being bottled, unfiltered.*

### Winery Information

*Stoller Family Estate is a 373-acre parcel located on the southern slope of the Dundee Hills. Pioneering Oregonian and Founder, Bill Stoller, purchased his family's second-generation farm in 1993 with the vision of cultivating an enduring legacy for the land and the Oregon wine industry. In 1995, he planted 10 acres each of Chardonnay and Pinot noir. Over the past 20 years, he has patiently transformed the property into the largest contiguous vineyard in the Dundee Hills, a sought-after source of fruit for premier producers.*
