Wine Description

Aromas of ripe juicy Bing cherry and strawberry are dancing with subtle scents of vanilla, white pepper and hints of clove. A touch of violet and roses brings a touch of femininity to the wine and dresses the wines with elegance. On the palate, a sweet and velvety attack leads to a bright palate. While slightly decreasing, it keeps its focus, creating tension and length. The wine finishes with notes of cherry cola, brown sugar and leaves a pleasant mouthwatering sensation that calls for more.
